

Lisu Bosa - Versions and Changes

Announcement list

If you would like stay informed of updates to Lisu Bosa and other SIL fonts, please subscribe to the [SIL Font News Announcement List](#). For more information see [About](#).

Our font announcements are also available through Twitter [@silfonts](#).

Current versions

The latest version of the fonts is always available from the [Lisu Bosa site](#) as a .zip archive for all major platforms.

The main family font package is also available in the [SIL software repository for Ubuntu](#). Users can subscribe to this software repository and get current versions and updates automatically.

Change history
