Lisu Bosa - Versions and Changes

Announcement list

If you would like stay informed of updates to Lisu Bosa and other SIL fonts, please subscribe to the SIL Font News Announcement List. For more information, see About.

Our font announcements are also available through Twitter @silfonts.

Current versions

The latest version of the fonts is always available from the Lisu Bosa site as a .zip archive for all major platforms.

The main family font package is also available in the SIL software repository for Ubuntu. Users can subscribe to this software repository and get current versions and updates automatically.
